Bob and Kristine, here's the agenda I have for today's call at 10:30am. Let me know if I missed anything:

- A. Status of RI Section 7 dispute (nothing to report)
- B. Status of Scheduling FS Section 2 Technical Meetings (to be determined next week)

Thanks, Jim.

Good morning Kristine. Yes, we currently have technical meeting placeholders for 2/26, 3/3, 3/12 and 3/17. Since we just received Section 2 yesterday I do not see us being ready to meet on 2/26. However, at this time I suggest we keep the three dates in March open. I will touch base with you late Friday (2/27) and let you know if we will be ready to discuss any particular Section 2 issues on 3/3 (we may need to bump that first tech meeting to 3/5). I also agree there isn't much on the RI front to discuss.

We can keep the agenda of today's PM call to those issues (scheduling FS tech meetings and status of the RI). As such, it should be a very short call. Jim.

Since we just sent you Section 2, did you want to set up some meeting times to discuss issues? You don't have to ID them now, we could just set some dates. We can use also use the FS tech meeting dates already held on the calendar since that is what they're for. There isn't much on the RI front – just waiting for the dispute resolution.

Kristine,

We have a placeholder for a PM conference call tomorrow morning at 10:30am. Do you have any agenda items for the call?

Thanks,
